Dear Mr J. Azzopardi

RE: Training 2022 King's Legacy x Fresh Hope filly

I, Kristen Buchanan hereby agree to train the 2022 King's Legacy out of Fresh Hope Filly from our stables at Wyong stables for the syndicate being formed by Group One Thoroughbreds in accordance with my standard terms of trade.

The Yearling by Kings Legacy was purchased from the New Zealand Yearling Karaka sales. The stallion is first season and was a well performed 2yr old, having won 3 races at 2 including the Group 1 Sire Produce and the Group 1 Champagne Stakes.

The dam, Fresh Hope by Medaglia d'Oro was a winner over the mile in Australia and hails from the black-type SNIP SNIP family. Fresh Hope is the three-quarter sister to Legion Fighter winner of 5 including stakes performed. Half-sister to Husson Lighting who ran early winning the Maribyrnong Plate Group 3 and placing in the Magic Millions 2YO Classic, Silver Slipper Group 2, Skyline Stakes Group 3 and Concept Stakes Listed.

She is a gorgeous filly with a great action and deep girth. She looks very versatile, looking like an early sprinting type but has scope to stretch out over the mile just like both her sire and dam as she matures. I recommend her to any prospective buyer considering becoming an owner.

I look forward to having great success with her and this syndicate.

Regards,

Kristen Buchanan
